REMARKS

By this response, claims 5 and 18 have been canceled, and claims 1, 6-9, 12, and 14 have been amended. Claims 30-31 are new. As support for the above amendments and new claims is provided for by the specification and drawings, no new matter has been entered. Accordingly, claims 1-4, 6-17, and 19-31 are pending in this application.

In the Office Action, claims 2, 4-11, 15, 17-24, and 26-28 were indicated as would be allowable if rewritten in independent form to include all the limitations of the base claim and any intervening claims. In view of this indication, independent claims 1 and 14 have been amended with the subject matter of would be allowable claims 5 and 18. Additionally, in view of the indicated allowable subject matter, new claims 30 and 31 which are also directed to the subject matter of claim 5 and 18, similarly are believed allowable.

Applicants respectfully submit that the present application is in condition for allowance. The Examiner is encouraged to contact the undersigned to resolve efficiently any formal matters or to discuss any aspects of the application or of this response. Otherwise, early notification of allowable subject matter is respectfully solicited.

Respectfully submitted,
Dinsmore & Shohl, LLP
